1. AHCCCS BACKGROUND

The Arizona Health Care Cost Containment System (AHCCCS) is the Arizona state Medicaid agency. AHCCCS delivers Medicaid services to client members through managed care or Fee-For-Service (FFS) Health Contractors. The Health Contractors are required to verify member eligibility prior to providing these services.

Members are issued an identification card that has their AHCCCS identifying number along with the Health Contractors name, contact phone number, and behavioral health contact number. AHCCCS currently issues plastic identification cards to its client members at an all-inclusive cost of \$0.72 per card. However, in light of the Arizona state budget situation, which is forecasting record deficits, AHCCCS, along with all state agencies, is looking for ways to reduce costs and be more cost effective. Health Contractors assume all the costs for the printing and mailing of identification cards for their plan's members. AHCCCS will pay for the printing and mailing of only the Fee-For-Service (FFS), Qualified Medicare Beneficiary (QMB) and Long Term Care (LTC) members, subject to change with advance notice. These identification cards are issued when new members are added; members change health plans; or a member requests a replacement card.

2. PROJECT OVERVIEW

AHCCCS provides one of two unique ID cards (subject to change with advance notice) to its respective memberships based on their AHCCCS enrollment status. AHCCCS is responsible for ensuring that each AHCCCS member receives an ID Card. Each Health Contractor will be responsible for the costs of supplying cards to their respective memberships

AHCCCS is responsible only for Fee-For-Service (FFS), Qualified Medicare Beneficiary (QMB) and Long Term Care (LTC) members. Contractor must be capable of providing a separate billing for each individual Health Contractor (anticipate at least ten (10) separate providers). Subject to change with advance notice.

AHCCCS will provide the information for the cards via electronic data transfer.

3. SERVICE REQUIREMENTS

3.1 Services: The Contractor shall provide materials and imaging services to produce any of the following:

- A. Artwork and/or graphic plates for the creation of the cards and mailers. This artwork will be the property of AHCCCS and must be provided immediately upon request.
- B. Proofs must be received for each type of identification card (front and back) to verify design, within a maximum of two (2) weeks after award of contract.

Failure of the offeror to submit such information may cause an adverse impact on the evaluation of the Offerors proposal.
9. **Clarifications:** Clarifications may be requested from Offerors at any time after receipt of offers. Clarifications may be requested orally or in writing. If clarifications are requested orally, the Offeror shall confirm the request in writing. The parties to this contract agree that the State of Arizona, its departments, agencies, boards and commissions shall be indemnified and held harmless by the contractor for the vicarious liability of the State as a result of entering into this contract. Failure to collect taxes from the buyer does not relieve the seller from its obligation to remit taxes.
45. **Stop Work Order:**
- 45.1 AHCCCS may, at any time, by written order to the Contractor, require the Contractor to stop all or any part of the work called for by this Contract for a period of ninety (90) days after the order is delivered to the Contractor, and for any further period to which the parties may agree.
